

VACOMEGAH - OMEGA ABATEMENT HEPA VACUUM

The Omega HEPA Abatement 1 Gallon HEPA dry particulate vacuum is an excellent portable choice for hazardous particulate cleanup.

ULPA filter option for even the most demanding applications.

HEPA Efficiency: 99.97% @ .3 micron

Filtration: A self contained **HEPA** filter cartridge for lead dust, mold spores, etc., reduces the risk of particle dispersion. The cartridge filter makes filter changes easy, clean, and safe
